

19 December 1951

Lakehead Amateur Radio Club

The regular meeting of the Lakehead Amateur Radio Club was held at 8:00 pm, Wednesday, December 19th, 1951, at the R. C. A. F. Building with President Frank Start - VE3AJ in the chair.

The roll call revealed a total of thirteen persons present.

Three films were presented before the commencement of the meeting following which a discussion took place on a stag or social evening without any conclusive result.

The Club was honoured by a visit from WØBNM (Art Wedde) who described Ham meetings in Minneapolis, and met with enthusiastic approval of all club members.

Our Radio Inspector honoured us with a visit and left us with some helpful suggestions.

President Start brought to the attention of the Club the availability of surplus gear at Marconi Company on Bay Street. With no further business to discuss, Time was taken out for hot coffee and sandwiches.

After a pleasant respite of eating and rag chewing, President Start delivered an interesting discussion of a ship-to-shore Xmitter with emphasis on application to amateur mobile work.

Motion to adjourn was moved by Vic Brister - VE3FY, seconded by Jack Morphet.

A surplus of \$1.60 from the meal budget was added to the Club funds.

Signed:

Ernie Reid - VE3BIX
Secretary-Treasurer

Frank Start - VE3AJ
President
